SILENT PRAYER

We live in all things and all things live in us. We depend upon the trees and animals, we depend upon the earth, our minds open with wisdom and insight. We live in all things and all things live in us. We dedicate our practices to others, we include all forms of life and we celebrate, O God, all the living you create. Amen.

LILY STOREY

Leader: Let the light fall warm and red on the rock, let the birds sing their morning song.

People: And let God’s people say Amen.

WIR PFLUGEN

A LITANY MEDITATION OF CREATION

LILY STOREY

Leader: The earth of humankind contains within it the seeds of all.

People: The earth of humankind contains all moistness,

Leader: All verdancy,

People: All germinating power.

Leader: It is in so many ways fruitful.

People: All creation comes from it,

Leader: Yet it forms not only the basic raw material for humankind,

People: But also the substance of the incarnation of God’s Son.

“The Garden Song”

BY DAVID MALLET

Inch by inch, row by row
Gonna make this garden grow.
All it takes is a rake and a hoe
And a piece of fertile ground.

And inch by inch, and row by row
Someone bless these seeds I sow.
Someone warm them from below
Till the rain comes tumblin' down.

And pullin' weeds and pickin' stones
Man is made of dreams and bones.
Feel the need to grow my own
'Cause the time is close at hand.

And rain for grain, sun and rain
Find my way in nature's chain.
And tune my body and my brain
To the music from the land.

Inch by inch and row by row
Gonna make this garden grow.
All it takes is a rake and a hoe
And a piece of fertile ground.

And inch by inch, and row by row
Someone bless these seeds I sow.
And someone warm them from below
Till the rain comes tumblin' down

Plant your rows straight and long
Temper then with prayer and song.
And mother earth will make you strong
If you give her love and care.

An old crow watchin' hungrily
From his perch in yonder tree
And in my garden I'm as free
As that feathered thief up there.

Inch by inch and row by row
Gonna make this garden grow.
All it takes is a rake and a hoe
And a piece of fertile ground.

And inch by inch, and row by row
Someone bless these seeds I sow.
And someone warm them from below
Till the rain comes tumblin' down.
