WELCOME. We are a compassionate Christian community fostering a personal connection with God for people of all ages and expressing God's love through worship, education, mission, music and fellowship.

We're glad to gather together as a community of faith today. No matter where you are on the journey of faith, you are welcome here to join in worship and service. If you are new to this community of faith, we rejoice in your presence with us. Remember, we're not strangers, but rather friends who journey together, following the Lord Jesus Christ. If you are a newcomer, we invite you to sign the pew pad.

HEARING ASSISTANCE devices are available from the ushers or the audio/video console at the rear of the sanctuary.

MISS A WORSHIP SERVICE? Services are recorded every week. A CD-R is available upon request by contacting the church office at 342-4242.

WELCOME, ANNOUNCEMENTS, REGISTER ATTENDANCE

SILENT PRAYER

Glory be to God for dappled things, for skies of couple-colour as a brindled cow; for rose-moles all in stipple upon trout that swim, fresh-firecoal chestnut falls, finches' wings; landscapes plotted and pieced- fold, fallow, and ploughed, and all trades, their gear and tackle and trim. All things counter, spare, strange, whatever is fickle, freckled (who knows how?) with swift, slow, sweet, sour, adazzle, dim; God fathers-forth whose beauty is past change. Praise God. CALL TO CONFESSION

MARY OZELL

God's love is so amazing that while we were separated from the Lord, God reached out in compassion and mercy to heal us. Therefore, we are free to confess our need of God's grace.

CONFESSION

MARY OZELL

Faithful God, we would join in the joyful song of heaven and earth; we would praise you as the mountains do, for the steadfast love with which you keep and comfort your people along the way of their journey home to you. Yet, we, O God, have mistreated your creation by planting garbage in landfills instead of fruit trees, by failing to keep the rivers, lakes and oceans clean and unpolluted, by failing to care for all your people, those near to us and those who are strangers. Forgive us, O God, and help to trust your provision for our lives, that we might be free from the fearful and anxious habits which threaten to exhaust the resources of your Earth.
