### ***Preparation for Worship***

God moves in history with his people. Jesus Christ stands at the center of the biblical record. The Bible is the account of God's word and action in history. together with his people's response in faith. It tells how the Lord has moved with Israel and the church toward the kingdom of God, his just and loving rule over all. It is the story of the one God, who is the Father, the Son, and the Holy Spirit. That story is still unfolding and in faith we make it our own. It forms our memory and our hope. It tells us who we are and what we are to do. To retell it is to declare what we believe.

PRAYER of CONFESSION (**UNISON**)

NATALIE WILKINSON

Triune God, our Sovereign, you have graciously entrusted human beings with your works and put all things under our feet; you have crowned your people with glory and honor! Yet, we confess, we have exchanged your wisdom for foolishness, despoiled your creation, feared disappointment, failed endurance, and shunned suffering for the good. The love you pour into our hearts we have allowed to grow cold. Forgive us, O God, and restore us according to your divine wisdom, that we may be a delight to you and rejoice before you always.
